MEMORANDUM FOR: Chief, TPDS

ATTENTION:

25X1A

SUBJECT: Assistance in Bureau of Standards Testing of  
Image Quality Meter

25X1A 1. Per [REDACTED] discussions with me regarding the names of individuals to assist in the calibration of the image quality meter by the National Bureau of Standards, the following names are furnished:

25X1A 2. In your conversation you mentioned the need to have one person at a time for a period of approximately one week, beginning in October. The availability of these persons will depend upon the workload of the Division, both as to time and length of assistance.

[REDACTED] 25X1A  
Deputy Chief  
Technical Intelligence Division

Distribution:
